

**PUBLIC SERVICE BOARD MEETING  
AGENDA ITEM**

**REGULAR MEETING  
Wednesday, September 13, 2017**

**SUBJECT**

Bid Number 44-17, Cement Stabilized Backfill Material (Re-Bid)

**BACKGROUND**

Cement stabilized backfill material is used to backfill pipe trenches and as a street paving base at various locations throughout the city.

**EVALUATION PROCESS**

Five bids were received for the cement stabilized backfill material. The apparent low bidder, Mini-Concrete Materials, which offered a 5% early payment discount, does not have an approved Texas Department of Transportation cement stabilized mix design as required by the bid proposal. Staff recommends that Mini-Concrete materials be deemed not responsible, and award to the second lowest bidder, Paso Del Norte Materials, LLC., which met all the specifications in the bid proposal.

**FINANCIAL IMPLICATIONS**

Sufficient funds are available in various accounts.

**PROPOSED ACTION REQUESTED**

Consider Bid Number 44-17, TXDOT Cement Stabilized Backfill Material (Re-Bid), declare Mini Concrete Materials not responsible, and award to the lowest responsive, responsible bidder, Paso Del Norte Materials LLC., in the estimated annual amount of \$199,470 with the option for two one-year extensions.

**SUPPORTING DOCUMENTATION PROVIDED**

) **Bid Tabulation**
