SUBJECT

Purchase of Two Replacement Vacuum Jet Rodder Trucks

BACKGROUND

The combination vacuum jet rodder truck is used to maintain the sewer collection system and to support the stormwater system during heavy rain storms.

EVALUATION PROCESS

The purchase of these vacuum jet rodder trucks is available utilizing the Texas Local Government Purchasing Cooperative HGACBuy Contract Number SC01-15 through VAC-CON. Staff evaluated various vendors and determined that the quote from VAC-CON was the most beneficial and economical to the Utility and recommends award to VAC-CON in the amount of \$702,000.

FINANCIAL IMPLICATIONS

Sufficient funds are available in account number 1215-077, and the funding source is the Improvement Fund.

PROPOSED ACTION REQUESTED

Approve the purchase of two 2018 International Vacuum Jet Rodder Trucks through the Texas Local Government Purchasing Cooperative HGACBuy Contract Number SC01-15 with VAC-CON, Inc. in the amount of \$702,000.
