SUBJECT

Purchase of a Front End Loader

BACKGROUND

The front end loader is a key piece of equipment that is used in many facets of operations. When there are emergencies, this piece of equipment is one of the first deployed. The front end loader is also used in daily operations for loading dirt into the dump trucks, cleaning stormwater ponds and other uses. The new unit will replace a current front end loader that has reached its useful life.

EVALUATION PROCESS

Staff obtained a quote from Sierra Machinery utilizing the Texas Local Government Purchasing Cooperative HGACBuy Contract # EM06-15 through Sierra Machinery. Staff evaluated the quote and determined that the quote fulfilled the requirements for this procurement. Therefore, staff recommends the purchase of the front end loader from Sierra Machinery.

FINANCIAL IMPLICATIONS

Sufficient funds are available in account number 1215-077, and the funding source is the Improvement Fund.

PROPOSED ACTION REQUESTED

Approve the purchase of a front end loader through the Texas Local Government Purchasing Cooperative HGACBuy Contract Number EM06-15 with Sierra Machinery Inc. in the amount of \$126,794.
