SUBJECT

Request for Proposal (RFP) 34-18 for Waste Removal and Disposal and Emergency Spill Response Services.

BACKGROUND

Per the City of El Paso's stormwater permit from the Texas Commission on Environmental Quality (TCEQ), the Utility is required to direct the remediation of illegal hazardous waste and spills that impact the stormwater system. An EPWater contractor is needed to provide removal, disposal and remediation services when a responsible party is not identified for the remediation.

The previous RFP was awarded in February 2015 and the new proposal is 9.78% less than the previous RFP.

STRATEGIC OBJECTIVES SUPPORTED

Increase Customer Satisfaction & Confidence

EVALUATION PROCESS

One proposal was received from Blue Life Environmental Inc. The number of spills and remediation work varies throughout the year, therefore the quantities are based on set rates for labor and equipment. Staff evaluated the proposal and determined that it meets all the requirements of the RFP and recommends award to Blue Life Environmental.

FINANCIAL IMPLICATIONS

Sufficient funds are available in Account Number 520-7330, and the funding source is the Water and Sewer Fund.

PROPOSED ACTION REQUESTED

Award RFP34-18 Waste Removal and Disposal and Emergency Spill Response Services to Blue Life Environmental Inc., in the estimated annual amount of \$57,552 with the option for two one-year extensions.
